

DON'T LET AI DISTRACT YOUR CHILD.

TEACH THEM TO THINK WITH IT.

Exclusive AI Weekend Bootcamp for Classes 8, 9 & 10

For Students 13+ | Sector 76, Noida Society Batch

Your child is already using AI tools like ChatGPT.

The real question is:

Are they using it to improve academics, or just copy faster?

At **Skill Bloomer's 2-Day AI Bootcamp**, we help students from **CBSE, ICSE & IB boards** learn how to use AI in the **right way**.

WHAT YOUR CHILD WILL LEARN

70% Academic Integration

AI for:

- Math & Science concept clarity
- faster revision notes
- smart study schedules
- mock test generation
- better essay and project structuring
- stronger computational thinking

20% Life Skills & Creativity

AI for:

- presentations
- media & music creativity
- storytelling
- career discovery
- problem-solving mindset

10% AI Safety & Privacy

Students learn:

- fake AI answer detection
 - deepfake awareness
 - data privacy basics
 - safe prompt usage
 - digital responsibility
-

WHY PARENTS ARE CHOOSING THIS

- ✓ Inspired by CBSE AI learning framework
- ✓ Founder-led by AI startup mentor
- ✓ Small batch: only 20 students
- ✓ Society-safe offline environment
